There are opportunities for all levels of ability for musicians and thespians. Busking is always possible during the daytime, we have jams alongside our weekend markets and we have regular evening gigs, at which the bar take or entry fee is split between house and artist. We are keen to offer street theatre, and would love to hear from aspiring poets and stand-up comedians.

The Yard is a community space and venue, where a variety of regular and 'pop-up' events are held. Any monies raised are used to pay for improvements to the site, which will benefit your local community, so you can also feel good about contributing. Please contact us if you would like to support this positive local initiative.

We would suggest you come along to an event to check us out if you can, but you can contact us anytime on 01737 339063
